next Have you recently walked in the doors of Moncton Wesleyan and wondered what is NEXT? If so, then sign up for NEXT!

NEXT is MW's 2-week orientation that helps people understand what Moncton Wesleyan is all about -- our mission, our strategy, our ministries. Let us know your interest by writing "next" on the back of your Communication Card.

NEXT is being offered @ 10:30am on March 21 and March 28.

Groups' Info We encourage everyone to join one of our many Groups. A BIG church becomes a small church when you belong to a Group. There is no better way to meet new people, learn more about God and get connected to our church! Express interest in a Group by means of your Communication Card; register online at www.monctonwesleyan.com; or stop by the Groups Kiosk in the Atrium on your way out today.

Creation Ministries Join us Sunday, March 21st, when Creation Ministries speaker Dr. Emil Silvestru shares how biblical authority has been largely rejected in western society and how its effects are widespread in our culture (pornography, violent crime, drug use etc) How does this relate to the creation/evolution issue?

Wesleyan Women will meet Monday March 15 @ 7.30pm in the After Café. Sarah Street and Alan Dunn will be speaking about their recent trip to Haiti. Needed for projects are diaper pins, small baby powders, baby facecloths and 30 small tubes of toothpaste for hygiene kits. Please bring penny saver banks.

We must use every available method, in every available place, at every available time, to reach every available person for Christ. Everything we do and everything we are is for that purpose.

Check out all the news and updates on our website monctonwesleyan.com
